STUDIO4 RENTAL

Daylight Studio

STUDIO 4 is one of the very first daylight films studios with an industrial look. The building's high vaulted ceilings, white concrete walls, and large glass windows do not only provide an ideal environment for daylight shoots, but also can be adapted and styled to meet any requirement.

As being one-stopped films and photography facility, our rental services for shooting space, cameras & equipments, props, and wardrobes would smoothen and shorten your production work flow.
